THE GAME

The skittle alley is a traditional wooden 'pub style' skittle alley featuring a gully along one side to return the ball

The skittles are set up at one end of the Skittle Alley and players stand and bowl from the other end.

Players take turns rolling the ball, aiming to knock down as many skittles as possible.

Each player/small team has 3 attempts per turn to knock down all the skittles

You score 1 point for each skittle you knock over. Highest score wins.

The game consists of several rounds with the highest total score/team score declared the winner.

There are many ways to split players into teams so everyone can have a turn.

It can be played in a variety of ways Individual games/small teams/larger teams.
