THE GAME

Each match is played by 2 teams of up to four players on each side (red team and blue team). Teams of 2-4 are the most common.

- Flip a coin to see which team goes first and whether they are the blue team or the red team.
- Red team roll red stones, Blue team roll blue stones.
- Rolling stones towards the target which must be at least 5 metres away.
- Players try to get the highest number of points and knock the other teams stones off the target.
- After all throws have taken place, points are added up and a winner is decided as the team with the most points.
- Games consist of 'ends' 1 end is 1 game. A match will usually consist of 6-8 ends
- In the event of a tie break the winner will be decided by a 'sudden death' with each team nominating one player to roll one more stone and the highest score wins.
